Barnwell School - Sixth Form Entry Requirements

Our entry requirements are in place to ensure all students enrol on a programme of study in which they can be successful and achieve their full potential.

We treat all applications on an individual's basis, however these entry requirements provide a guidance for students regarding what is required for them to successfully make the next step to level 3 study.

To ensure students are on the most appropriate programme of study we use the average point score (APS) system. At Barnwell Sixth Form we take a student's best 6 grades and calculate an average from this. Information on how to calculate your 'best 6 APS' can be found on the following page. The table below shows the combination of subjects you should aspire to study, based on your best 6 APS.

Your best 6 APS	Recommend pathway

Calculating Best 6 Average Points Score (APS)

Use the tables below to identify how many points your GCSE grades are worth:

GCSE	
Grade	Equiv. points
9	9
8	8
7	7
6	6
5	5
4	4
3	3
2	2
1	1
U	0

Level 2 BTEC	
Grade	Equiv. points
Distinction*	8.5
Distinction	7
Merit	5.5
Pass	4
Level 1 BTEC	
L1 Distinction	3
L1 Merit	2
L1 Pass	1.25

Remember that combined science is worth 2 GCSEs:

e.g. 7-7 = 2 GCSEs 7 and 7.

e.g. 6-5 = 2 GCSEs 6 and 5

How to calculate your best 6 APS:

1. Identify your best 6 GCSE point scores
2. Calculate the sum of these 6 GCSEs
3. Divide this number by 6

$$\text{Best 6 APS} = \frac{(\quad + \quad + \quad + \quad + \quad + \quad)}{6}$$
